CITY
CTORY

the map and is its only
e world beyond our own

atalogue of business and
ts citizens and institutions
ese United States.

It is the logical means of publicity in advertising the city, its manufacturing industries, its advantages and resources.

The men who direct the affairs of progressive and up-to-date business institutions recognize the fact that the City Directory tells the story of the city's life and keeps it before the public as no other publication can or does.

Its Classified Business Section furnishes a list of all trades, professions and pursuits, constituting a special trade directory or buyers' guide and is the best advertising medium on earth.

PREFACE

LOCATION

Thomasville, in Davidson County, is located in the center of the Piedmont, North Carolina's industrial section situated between the mountains and the coastal area. Midway between Washington and Atlanta, Thomasville is served by both the Southern Railway's main line and the locally owned, short-line High Point, Thomasville and Denton Railroad, connecting with the Atlantic Coast Line and Norfolk and Western Railroads. Thomasville is the junction between United States Highways Nos. 70 and 29 and State Highways Nos. 109 and 62, with local and interstate bus service. Eighteen miles away is the Greensboro-High Point airport, and within 20 miles is the Smith Reynolds airport in Winston-Salem, both serviced by the Eastern, Capital and Piedmont Air Lines.

POPULATION

According to the United States Census Bureau, the population of Thomasville in 1860 was 308. By 1900 it had grown to only 750. At the turn of the century the rapid growth and progress of Thomasville began with the advent of the furniture manufacturing industry. By 1910 the population was 3,877. New enterprises, particularly in the textile field, were added, so that by 1920 the city had grown to 5,676; by 1940 to 11,041, and by 1950 to 11,054. Many small enterprises have been started in the past ten years. The city limits have not been extended since 1915. At least 2,500 people live in the area immediately surruonding the city's incorporated limits of 3,375 square miles.

Fifteen per cent of the city's population is Negro.

Within a radius of 50 miles more than one million people reside.

CLIMATE

Mean annual temperature is 58 degrees. Seasonal averages are Winter — 42 degrees; Spring — 57 degrees; Summer — 76 degrees; and Fall — 56 degrees. Average annual rainfall is 47.56 inches. Altitude is 857 feet above sea level. Malaria and typhoid fever are practically non-existent.

GOVERNMENT

Thomasville is governed on the council-manager plan. The council is composed of a mayor and five councilmen. The city adopted the council-manager plan in 1915, the third city in North Carolina to employ a city manager. Government offices are centralized in a three story structure completed in 1938.

PREFACE (Cont.)

(Continued from Page 7)

POLICE, FIRE PROTECTION

The Police Department is manned by 17 officers, who use two radio-equipped patrol cars and two motorcycles. In the Fire Department are 13 full-time employees and 13 volunteers, equipped with four fire trucks. Two fire stations are strategically located.

STREETS

There are 51 miles of streets within the city limits, 26 miles of which are paved with curb and gutter.

WATER, SEWERAGE, GARBAGE DISPOSAL

There are 39 miles of sewerage and two sprinkler disposal plants, a 1,500,000 gallon minimum flow per day water plant, and two elevated water tanks with a capacity of 1,100,000 gallons. The water facilities are capable of serving a population of 20,000. The land-fill method of garbage disposal is in use.

POWER

Both gas and electric power are available. Duke Power Company, with hydro and steam plants distributed over North Carolina and South Carolina, furnishes electric power at rates well below the national average. It is now expending $100,000,000 for expansion of its facilities over the next four years. The average residential consumption of electricity in Thomasville was 2,000 k. w. h. in 1948 compared to the average of 1,550 k. w. h. throughout the country.

SCHOOLS

The city schools, with five modern buildings and total enrollment of 2,669 students, are accredited by the Southern Association of Colleges and Secondary Schools, and the North Carolina State Department of Public Instruction. There are two high schools with 21 teachers and 8 special teachers and 626 pupils and five elementary schools with 60 teachers and 2,043 pupils.

Modern cafeterias have been built to all schools and a building purchased for vocational school.

There is also a business college with an enrollment of 93 students.

Within a radius of 100 miles the state's largest colleges and universities are located.

RECREATION

The city operates, maintains and supervises a 38 acre park for the white citizens, dedicated to "all men who served their country in time of war". This City Memorial Park consists of a modern swimming pool and bath-house, tennis and badminton courts, horseshoe pitching courses, lighted stadium for football and baseball, amphitheater and picnic area and shelter for group or individual use.

In addition the city operates Doak Park, a 4 acre park in the southwest section of Thomasville. This park contains a junior baseball field,

tennis courts, play ground apparatus, small recreation area and picnic area.

A lighted softball park is located in the northeast section of the city on Kern Street School property.

The colored Memorial Park is a 20 acre developed area for the use of the colored citizens. This park has a modern swimming pool and bath-house ,volley ball and horseshoe pitching courts and a picnic area.

The High School Gymnasium provides ample facilities for basketball and other indoor sports.

Other recreational facilities include a lighted baseball park rated the best in the North State class D league, a nine-hole golf course, four motion picture theatres, two skating rinks, and skeet club.

The city operates, maintains and supervises the park areas through a full-time recreation department.

During the past three years, the Thomasville Community Foundation has received donations from 3,000 citizens totaling $476,000 to be used for civic improvements.

HOSPITAL

The City Memorial Hospital, a community enterprise, built in 1928, has 47 beds and 12 bassinets, and is provissionally approved by the American College of Surgeons. Adjacent to it is a modern nurses' home. Construction is underway to make a modern, up-to-date 80 bed hospital.

LIBRARY

The Thomasville Library, housed in a wing of the City Hall, is a branch of the County Library System, and has 12,686 volumes; 3,629 registration; and monthly average circulation of between 5,000 and 6,000 volumes.

A library for the Negro population also is part of the county system and is housed in the Negro Church St. School, along with the High School Library.

ious fraternal organizations. Veterans' organizations are American Legion and Veterans of Foreign Wars, and their auxiliaries. Other organizations are the American Association of University Women, American Red Cross, Boy and Girl Scuots, Garden Clubs, Merchants' Association, Ministerial Association, Parent-Teacher Associations, and Woman's Club.

Many of the civic and social activities are centered in the Woman's Club Building, a large community building erected in 1938.

INDUSTRY

Industrially, Thomasville is unusually well-balanced and diversified. In the field of manufacturing, furniture and hosiery predominate. There are also makers of cotton yarn, wooden boxes, underwear, concrete and cinder blocks, mirrors and mattresses.

Twenty-four furniture companies manufacture a complete line of household furniture, veneers and panels, carvings, and radio and television cabinets. There are 14 hosiery and hosiery finishing companies. Forty million pairs of hose are produced annually. There are two cotton yarn mills.

AGRICULTURE

Just as the industry of Thomasville is exceptionaly well balanced, so Davidson County is one of the nation's best balanced counties between industry and agriculture, urban and rural population.

Davidson County ranks at the top in diversification of agricultural products. Its farmers grow tobacco, corn, wheat, oats, sweet potatoes, alfalfa, and clovers. Truck farming and raising of beef cattle, hogs and poultry are important. Dairying has become a large scale operation.

WHEN YOU WANT TO KNOW:

—where a person lives.

—what his occupation is.

—who lives at a certain number on a street.

—where a street is located.

—the correct spelling of a name.

—the officers of a corporation.

—the partners in a firm.

—the solution to any of scores of problems that pop up unexpectedly to annoy and baffle you.

—you can quickly find the answer in the City Directory.

Southern Directory Co. Asheville, N. C.

THE CITY DIRECTORY

places the city on the map and is its only representative to the world beyond our own gates.

It is the city's catalogue of business and represents the city, its citizens and institutions in every corner of these United States.

It is the logical means of publicity in advertising the city, its manufacturing industries, its advantages and resources.

The men who direct the affairs of progressive and up-to-date business institutions recognize the fact that the City Directory tells the story of the city's life and keeps it before the public as no other publication can or does.

Its Classified Business Section furnishes a list of all trades, professions and pursuits, constituting a special trade directory or buyers' guide and is the best advertising medium on earth.

THOMASVILLE, N. C.

GIVING NAMES OF HOUSEHOLDERS, THE NUMBER OF OCCUPANTS IN EACH HOUSE, AND DENOTING BUSINESS PLACES

VOL. XI **1951-1952** **VOL. XI**

NOTE—Streets are arranged in alphabetical order. All house numbers are arranged numerically following the description and location of each street, giving the name of householder. The number in parenthesis after name denotes number of occupants in each house.

Dash (—) before name denotes that number is wanting.

(◎)—Before name denotes home-owners.

(*)—Purpose of star (*) in front of name is generally used to denote colored person or firm, but its use is so varied that we assume no responsibility for errors or the wrong use of same.

MEMORANDUM

18 W. MAIN ST. PHONE 589

This Publication is The Product of a Member of

—thus assuring you the ultimate service that skill and care can produce in the way of City Directories or other reference media and providing protection against fraudulent advertising schemes which operate under the name of Directories.

The following "Standards of Practice," adopted at the inception of the Association of North American Directory Publishers in 1898, and strictly adhered to over the years, is your guarantee of satisfactory Directory Service.

The publisher of a Directory should dedicate his best efforts to the cause of business uplift and social service, and to this end pledges himself:

1. To consider, first, the interest of the user of the book.
2. To subscribe to and work for truth, honesty and accuracy in all departments.
3. To avoid confusing duplication of listings, endeavoring to classify every concern under the one heading that best describes it, and to treat additional listings as advertising, to be charged for at regular rates.
4. To increase public knowledge of what Directories contain; to study public needs and make Directories to supply them; to revise and standardize methods and classifications, so that what is wanted may be most easily found, and the Directory be made to serve its fullest use as a business and social reference book and director of buyer and seller.
5. To decline any advertisement which has a tendency to mislead or which does not conform to business integrity.
6. To solicit subscriptions and advertising solely upon the merits of the publications.
7. To avoid misrepresentation by statement or inference regarding circulation, placing the test of reference publicity upon its accessibility to seekers ,rather than on the number of copies sold.
8. To co-operate with approved organizations and individuals engaged in creative advertising work.
9. To avoid unfair competition.
10. To determine what is the highest and largest function of Directories in public service, and then to strive in every legitimate way to promote that function.

$100 Reward will be paid by the Association of North American Directory Publishers for the arrest and conviction of any person or persons engaged in the publishing, collecting or canvassing for any fraudulent or fake directories.

HIGH POINT —

furniture and hosiery center of the South.

THOMASVILLE —

furniture, hosiery, miscellaneous manufacturing.

DENTON —

a small and growing town having a strong appeal for industries seeking rural locale.

The Best Things Come In Small Packages!

Through our connections the HPT&D Railroad gives this industrial part of North Carolina competitive trunk line advantages. Concentrated into a small area as an efficient "Short Line" and transporting freight only, HPT&D serves helpfully and courteously.

HPT&D offers regular schedules to all parts of the United States through the Winston-Salem Southbound, Norfolk and Western, Atlantic Coast Line, and Norfolk Southern railroads and their many connections.

Many industries are located along our tracks. Much new development is underway.

For detailed information as to industrial sites, track locations, rates, routings, schedules, etc., write or call:
